

FREE GUITAR!

OR \$250 OFF ANY YAMAHA INSTRUMENT
when kids start lessons*

*Conditions apply, turn over for details

For a limited time Big Music, with support from Yamaha Music Australia, is offering students a free new Yamaha Guitar included in the price of group guitar lessons - when you commit to a minimum of 20 weekly lessons.

You can also choose Group Drums or Keyboard lessons and get a \$250 discount off the RRP of any Yamaha instrument - such as a Digital Piano or an Electronic Drum kit - through Big Music's retail store.

Group Lessons at Big Music are a great way for kids to start learning an instrument. They are fun, social and can be less intimidating than a private lesson, while still ensuring that kids establish good technique and habits. A maximum of 6 per class ensures each child receives plenty of personal attention from our expert coaches.

Terms & Conditions

1. Group Lessons are for kids aged 6 to 13 who are starting to learn guitar, drums or keyboards. They run for 30 minutes weekly with a maximum of 6 students per class.
2. To receive your free instrument or discount you must enrol your child in weekly Group Lessons and provide a credit card payment authority for automated weekly payments.
3. The weekly Group Lesson fee of \$35 will be charged to your credit card on the day of your child's lesson each week for 20 weeks whether you attend each lesson or not.
4. Lessons do not run through the NSW Public School Holidays and you will not be charged when there is no lesson scheduled.
5. The minimum spend is \$35 per week x 20 weeks = \$700. If you cancel and pull out of the Group Lessons before completing 20 weeks you must pay us a cancellation fee of \$12.50 times the number of unpaid lessons remaining.
6. The free guitars offered under this promotion are either a Yamaha C40 Guitar (RRP \$249) or Yamaha CS40 3/4-size Guitar (RRP \$219), or receive up to \$250 off any Yamaha Instrument available in our store. This discount is based upon the manufacturer's RRP. This discount may not be used in conjunction with any other offer and no credit will be offered if the RRP of the chosen instrument is less than \$250.
7. Instruments are new or ex-shop display and come with a 12 months manufacturer's warranty.
8. Should a student's chosen instrument not be available for any reason, Big Music may substitute an alternative new instrument of similar type and value. If we are temporarily out of stock of a particular instrument a used instrument may be substituted on loan until we receive stock of the new instrument.
9. Big Music will use its best endeavors to have instruments available for collection at the student's first lesson and, should circumstances prevent that, within 14 days of starting lessons.
